CLASSIC 500 TRIALS FEATURES

Upswept Silencer

Practical upswept silencer helps keep the elements away from the internals should you find yourself deep in the water or mud of the forest, a simple yet essential solution to a common issue that goes back to the beginning of the Six Day discipline.

Feature 2

Exceptional stopping power for whatever you choose to subject your motorcycle to, be safe in the knowledge that control is enhanced by the modern all disc set up, dealing safely with any conditions with confidence.

Feature 3

Traditional tough metal construction fenders with upgraded braces to withstand the rigours of trail riding and its challenges should you choose to venture into the undergrowth and valleys away from the white lines & tarmac.

Feature 4

13.5 litre capacity extends the range of your adventure, part finished in chrome on the green frame adds some sparkle to the gritty nature of the Bullet Trials, the authentic shape and feel of metal echoes back through time.

Feature 5

Single Seat Design enable a utilitarian rack to be installed, giving you space for those essentials required for the journey to be transported efficiently & safely, enhance your experience by being prepared

Feature 6

Dual Purpose Tyres will take you along the highway or the Less travelled trail with equal amounts of performance, adds to the aesthetic by retaining the rugged pattern needed to be a true dual nature vehicle.
