The Royal Alloy GT has the modern consumer in its sights. It's for those looking for an easy ride with modern reliability and a quality finish. Powered by a lively (and CBT friendly) 9.5 BHP, 2 valve SOHC engine which gives enough power for most city-based users. There are plenty of colour options to choose from too. full-cast metal headset improved re-designed speedometer unit and headlamp assembly. All journeys start somewhere and for Royal Alloy it is the GT 125i AC. A generous 1390mm of wheelbase combined with 110/70/12 & 120/70/12 profile tyres amply dampened front and rear by 4 shock absorbers, gives a sturdy, responsive feel that belies the value for the money price tag and gives much more expensive machines a run for the money Classic Styling inspired by the original Lambretta range - Adjustable Rear Shock - LED Tail Light - LED Side Light - LED Indicators - Lockable Front Glove Box - Disc Brakes Front & Rear - Single Cylinder, Liquid Cooled, 4-stroke, 2V, SOHC Engine - 12 Inch Alloy Wheels - Plastic Body Work
